

The following position is open within our firm:

**Architect**

River Architects, Inc., is looking for a talented Project Architect to be involved in the design and development of our projects. Qualified applicants should have a minimum of 3 years' experience, be a strong designer, and have a keen sense of how a building is detailed and constructed.

We are a collaborative firm that offers a professional work environment. Each member of the firm is an integral part of the architectural process; a dedicated team with diverse and complementary skills. The atmosphere is inclusive, supportive, and enthusiastic.

Employees earn a competitive salary and benefit package which includes health and dental insurance, a 401K retirement plan, as well as paid vacations, holidays, and personal leave time.

If striving for excellence in a creative work atmosphere interests you, then please forward your letter of interest and resume in confidence to:

Val Schute  
River Architects, Inc.  
740 7th Street North
